2. This declaration is made in support of Plaintiffs' Motion for Service Awards.
3. I took reputational risks associated with attaching my name to a publicly filed class action lawsuit in the hopes of helping others.
4. I have been involved with this case from the very beginning, and have been responsible for contacting counsel and initiating this case against Defendant.
5. I purchased Kashi products during the class period from a Publix Supermarket in Miami, Florida and a Whole Foods in Miami Beach, Florida because I believed the All Natural claims on the packaging.

8. I also began assisting Class Counsel with preparing for trial, prior to settlement.
